Successful year for fundraising. During our Executive board meeting we all aligned and created a new 5 year strategic plan. This plan was necessary to continue our Alberta Development Grant (ADP). This grant provides our organization with 2 payments of roughly $15,000 to be spent on Athletic Development through the clubs and High Performance and Athlete reps.
As well, this year the Government of Alberta has a large push for their Safe Sport initiative. The Goal being to provide all people of all skill levels a sport experience free from bullying, harassment or mistreatment. We put together a plan to fund all members of our association to take the training that will make this happen. As well, the money can be used for developing coaches and athletes. Here is the break down of our approved plan:

40 coaches NCCP training (3 Course at $50, $150 per coach.	$	6,000.00
40 Coaches Respect in Sport Activity leaders ($30 dollars a coach)	$	1,200.00
600 Archery Alberta Households Respect in Sport for Parents ($12 a house)	$	7,200.00
10 Archery Alberta Executives Respect in the Workplace ($40 a person)	$	400.00
Communication expenses	$	200.00

I hope this money will be put to good use to help develop the sport in a way that makes it enjoyable for everyone.
Any registered member of Archery Alberta is eligible to have their training re-imbursed after proof of completion is shown. Details on how to be reimbursed will come out next year.

The Major fund-raising event, the Casino, is scheduled for Tuesday February 28 and Wednesday March 1, 2023 at the Pure Casino in Calgary.
We have a couple of volunteers already signed up but we still need more.
This is a great opportunity to have an expense paid trip, and volunteer hours, to come help the organization receive the bulk of its funding for the year. Please send volunteer notices to grantschair@archeryalberta.ca
