By signing up your club's youth program, your program will receive the following:

Clubs can sign up their youth/junior program at any time, it is not restricted to only November.

- Up to 50% of Canbow program badges/or equivalent. (50% is based on budgeted amount and number of youth programs that submit). Submission Deadline: April 30, 2023
- Mail match Target. Mail match will be from January to March 2023. Weeks are from Monday to Sunday. Scores to be submitted weekly. If an archer has more than 6 scores submitted, only the archer's 6 best scores will count. Details will be out in mid November.
- Practice Rewards Program November 2022 to March 2023 that is open to archers under 18.
- Clubs will receive early registration to January's Youth Development Camp.

Programs being developed are:

- Mail match for 3D
- Rewards program for archers that have a more advanced skillset who are 14 and above (U15 categories and up); shooting at 18m and 40cm targets

To receive any of the above benefits your club and all youth participants (coaches, athletes) need to be Archery Alberta members in good standing for both 2022 and 2023 (for 2023 clubs must renew by end of February 2023)

To sign up, please send the above form to jr-director@archeryalberta.ca

Once your club's form is received you will be sent the expense form for badges and coaching expenses. In early January you will receive access to mail match online reporting.

If you have any concerns/suggestions, please email the Dawn at jr-director@archeryalberta.ca

Thank you
