

Archery Alberta
ASA Tour

2023 Bid Application Outline

In order to be considered as a hosting organization for the 2023 Archery Alberta ASA Tour, please ensure that your venue fulfills the following minimum criteria:

- Space for up to 3 ASA Courses with 20 targets per course and enough space to follow the course target distance book.
- A shoot-off area that measures at least 25 yards by 50 yards.
- A practice area with 20, 30, 40, 50 yard practice butts.
- Space near the shoot-off area to accommodate spectators and their shade tents and chairs.
- Area for registration and score tabulation.

In a written application, detail the services listed below. Feel free to add any optional services that you feel may add to the success of your shoot if granted.

- Name of Venue
- Date or Dates of possible Tour stops you can host.
- Venue address
- Size of the competition venue - please include a course/venue map.
- How many and what type of toilets/wash facilities will be available at the venue?
- Internet - Is WiFi available? If not, what sort of signal strength can be expected for Rogers/Telus?
- Electricity - Is power available at the shoot-off area? A generator is acceptable.
- Parking - How much parking is available for competitors, spectators, and organizers? Is parking free or paid? If paid, what are the costs. Please mark parking on the included venue map.
- Food - What is the closest availability to food? Is there a concession on site? Is there room for food trucks?
- Vendors - Is there space for the setup of sponsor booths or other vendor kiosks? Please indicate on venue map.
- Camping - If you are considering on-site camping there should be at least 25 sites. If there will not be on-site camping, indicate how far away the nearest campground is and how many sites can be made available. Can a block of sites be booked ahead of time?
- Hotels - Are there hotels within 30 minutes of the venue? How many rooms are available? Can blocks of rooms be booked? Are there preferred rates as a host hotel?

ASA Tour

2023 Bid Application Outline

As soon as it is ready, a full Archery Alberta ASA Tour Manual will be available online. In the meantime, here are a few important points to keep in mind:

- The target trailer and targets will be provided for a fee of \$750. Wear and tear is expected but any targets damaged beyond repair will be the responsibility of the hosting organization to replace.
- The Archery Alberta ASA Tour director will be responsible for the technical organization of the event and will need to drive the course the night before the competition.
- The Host Organizing Committee will be responsible for the financial management, volunteer recruitment, and on the ground organization of the shoot in conjunction with the Archery Alberta ASA Tour Committee.
- The Host Organizing Committee will also be responsible for creating and maintaining communications at the venue during the event.
- The Host Organizing Committee will be responsible for advertising where necessary. Postings on the Archery Alberta ASA Tour social media platforms is free.
- Naming rights for the event will be up to the Archery Alberta ASA Tour Director. Any media, including shoot posters, must contain the Archery Alberta ASA Tour Logo and/or text indicating "As Presented By" the hosting organization.
- Host organizers must stay in contact with the Archery Alberta ASA Tour Director to discuss organization and ongoing logistics related to the event.
- The Archery Alberta ASA Tour Committee will be awarding a total of FOUR events, two North and two South. The Tour Classic has already been awarded in a central location.
- Prospective event dates must be between the end of May 2023 and before the Tour Classic which will be the third week in August 2023.
