ATHLETE AGREEMENT

Athlete / Archery Alberta Agreement – General Purpose and Overview

Archery Alberta selects, or invites, individual athletes to participate in its high-performance programs with the objective to have the athlete represent Alberta at national events, such as the Canada Cups, Fred Usher Cup, Target Nationals, or other national archery competitions or Archery Alberta activities or events, such as training camps. Additionally, and as applicable, Archery Alberta selects, or nominates, athletes to Archery Canada as the best qualified individuals, from among those athletes meeting established criteria, to compete for Canada.

The purpose of this Agreement is to establish a set of rights, obligations and commitments for both, the Athlete and Archery Alberta.

Athletes may receive financial support from Archery Alberta. It is important that the Athlete understands the basis on which financial support is provided, the actions and activities necessary to maintain this funding, and the actions and activities that would cause the support to be terminated.

Similarly, Archery Alberta understands its rights, obligations and commitments to the: Provincial Members, Registrants (individuals and clubs) and Athletes that participate on behalf of Archery Alberta. In doing so, Archery Alberta must also recognize the rights of the Athlete as laid out in the body of this Agreement.

The Athlete is required to review all of the material attached and is encouraged to consult with the Senior Archery Alberta Athlete Representative or the Archery Canada President in the case of questions or concerns. In turn, the Athlete Representative or the President will research the related issues and questions with the High-Performance Coordinator and reply to the Athlete within a reasonable time, but in any case, not longer than five (5) days from when the question(s) is asked.

All Athletes submitting to receive Team Alberta Athlete Assistance funding, or wishing to participate in Archery Alberta's high-performance programs (e.g., activities and events such as national competitions, training camps), or who are selected to represent Archery Alberta nationally, must sign this Agreement.

Until the Athlete has signed and returned the Agreement to the High-Performance Coordinator, an Athlete *may* not: receive any funds; represent Archery Alberta in competition for Alberta; or participate in Archery Alberta's high-performance programs.
